Chief Clerk and Administrator
Public Service Commission of South Carolina
Synergy Business Park.
101 Executive Center Drive
Columbia, SC 29210

Dear Mr. Terreni:

Enclosed with this electronic filing please find Qwest Communications Company, LLC's ("QCC") filing to revise its South Carolina Tariff No. 1. The material consists of tariff pages as indicated on the following check sheets:

Revision	Sheet No.
61st Revised	Sheet 1
46th Revised	Sheet 1.1
22nd Revised	Sheet 1.2

- Move the Operator Service rates and terms for Qwest presubscribed customers from the QCC South Carolina Tariff No. 4 to the QCC South Carolina Tariff No. 1. After moving the presubscribed rates and terms, Qwest requests to cancel its QCC South Carolina Tariff No. 4. Qwest has no existing customers for the remaining services in that tariff.
- Reorganize and clarify the Operator Services rates and terms for Qwest presubscribed customers. Customers will not be impacted by this reorganization.
- Remove obsolete references for the Duplicate Bill charge.
- Move the Qwest 1-800-487-9378 Calling Service for business customers to the Obsolete Service Offerings and Rates section. This calling plan will no longer be available to new business customers and there is no change to rates or to the service for existing customers. The existing customers may retain the service as long as Qwest continues to offer it and as long as the customer does not move to another address or make changes to their service after the effective date

QCC respectfully requests that the proposed changes outlined above become effective October 19, 2010.

Acknowledgment and date of receipt of this transmittal are requested. A duplicate letter and self-addressed, stamped envelope are attached for this purpose. If you have any questions regarding this filing, please contact me.

Respectfully submitted,

A handwritten signature in black ink that reads "Judy Lee".

84. Qwest 1-800-860-6000 Calling ServiceGeneral Description

Qwest 1-800-860-6000 Calling Service offers residential customers enhanced features and functions for use when traveling. Customers access the network by dialing a toll-free access number and an authorization code. To initiate a Calling Card call, the customer dials a toll free 800 number (1-800-860-6000). The voice response unit ("VRU") then instructs the customer to input the authorization code, which is the customer's billed to number plus four digits. After the proper verification of the authorization code, the VRU guides the customer through the available options. Two pricing options are available.

Terms and Conditions

This Calling Service is only available to customers subscribing to local service from a carrier other than Qwest Corporation.

Two alternate billing options are available. Option 1 allows the customer to use the 1-800 number to place alternately billed calls at a special rate that is not sensitive to distance, time of day, or day of week. Option 2 allows the customer to use the 1-800 number to place alternately billed calls at special rates that are not sensitive to distance, time of day, or day of week. Option 2 differs from Option 1 in that the customer elects to pay a monthly rate, in lieu of paying a surcharge per call.

Allows the customer to use the 1-800 number to place mechanized calling card calls to access directory assistance (1-NPA-555-1212). Rates for directory assistance are specified in the Operator Services section of this Tariff. (T)

The Payphone Surcharge applies to all calls placed from pay telephones. This charge is in addition to all other applicable 1-800-860-6000 Calling Service charges. The payphone surcharge rate is specified in the Operator Services section of this Tariff. (T)

Operator assisted charges apply and are in addition to the rates below. Operator assisted charges are specified in the Operator Services section of this Tariff. (T)
